

EAU-DE-VIE

FROM CANNONAU GRAPES

DISTILLATION

This 'eau de vie' is obtained from pomace resulting from the production of Cannonau di Sardegna Josto Miglior, gently pressed and delivered to the distillery in the shortest possible time, where it is distilled in small steam flow stills.

ASPECT

Crystal clear with hints of silver.

AROMA

Full and exceptionally elegant, recalling the intense perfume of grape blossoms.

FLAVOUR

Smooth, fruity and mellow, evoking exceptionally delicate sensations.

DEVELOPMENT

In steel vats.

ALCOHOL CONTENT

40% by vol.

SERVING TEMPERATURE

Suggested temperature 10 - 12°C.
